to run for more years than any borrower needs, so there is no trouble, anxiety or expense about an extension at the end of three or five years. No commission, bonus or premium for making the loan; only the very moderate cost of verifying the title, and drawing and recording the deed of trust and releasing any prior trust.

The repayment on each fi.600 advanced is only five dollars a month, and this repayment shares in the not profits, just like a savings account. The interest charge is simply the legal rate, being five dollars a month for each fi.600 advanced. Whenever a borrower mas flot to his credit he can reduce his interest and loan payments by one dollar a month. He can also reduce the debt and monthly payments as often and as much as he is able and willing. This is the 2ind year of our long-time, easy-payment plan.
